Notes:

- 1 The above audited financial result for the quarter and year ended 31st March 2019, were reviewed by the Audit Committee and recommended for approval to, and approved by the Board of Directors at its meeting held on 20th June, 2019. This result have been audited by the Statutory Auditors.
- 2 The Company is a Non-Banking Financial Company registered with the Reserve Bank of India and is engaged solely in financial & investment activity segment and all activities of the Company revolve around this business. As such there are no other reportable segment as defined by Accounting Standard-17 on "Segment Reporting" issued by the Institute of Chartered Accountants of India.
- 3 a. The Company in the preceding year ended 31st March, 2018 had borrowed loan of Rs.100 crs. from M/s Kalyan Sangam Infrotech Ltd. (KSIL) and Rs.150 crs. from M/s. Sangam Business Credit Ltd. (SBCL), group concerns of the Company, for in turn advancing to M/s IL & FS Transportation Network Ltd. (IL & FSTN). As the Company was having running account of KSIL in respect of other business transactions, the loan of Rs.100 crs. borrowed from the said company was inadvertently credited to the said running account having debit balance, instead of to a separate loan account. Since the said borrowing was having direct nexus with the loans advanced as above, the Company during the year under report has transferred the said borrowings from the running account of the said company to a separate loan borrowed account which has resulted in short-term borrowings & short-term loans & advances for the year under report being higher by Rs.100 crs. Since the said running account and the loan borrowed were carrying different rate of interest this correction has resulted in profit for the year being higher by Rs. 41,09,589/-.
- b. The interest on loan of Rs.250 crs. advanced to IL & FSTN was receivable on quarterly basis. The Company during the year has received interest on the said loan for the first quarter ended 30th June, 2018 and for the subsequent quarters has not received any interest. Though the said loan has become NPA in April, 2019 i.e. in the financial year 2019-20, the Company, following the prudential norms, has not recognized interest amounting to Rs. 26,27,39,725/- on the said loan from 1st July, 2018. The Company has correspondingly not provided interest on the loans borrowed from KSIL & SBCL from July, 2018 amounting to Rs. 25,33,56,164/- on matching principles. The provisioning for sub-standard assets will be made in the financial year 2019-20, if then required.
- 4 Figures of the previous periods have been regrouped, wherever necessary, to correspond with the figures of the current period.
- 5 The figures of the 3 Months ended 31.3.2019 and corresponding 3 Months ended 31.03.2018 have been arrived at by deducting the published figures up to the 3rd Quarter ending 31.12.2018 and 31.12.2017 from the Audited figures of the respective financial years.
